Historical Information: The cemetery was begun by French troops in October 1914, and carried on by the

other Divisions, and later by the Canadian Corps, from February 1916, to September
1918; and the French plot was increased in 1923 by concentrations from other

There are now over 400, 1914-18 war casualties commemorated in this site. The
Cemetery covers an area of 3,582 square metres and is enclosed by a rubble wall.
